## SERVING INDUSTRIAL AND COMMERCIAL CLIENTS THROUGHOUT CALIFORNIA!

**We perform work on Factories, Plants, Warehouses, Pre-Fab Buildings, Metal Walls & Roofs, Underground Parking Garages, & Drywall Finishes.**

CAL INC offers outstanding Industrial, Commercial & Residential Coatings Services at competitive prices. We handle medium to large-sized painting projects, with work performed by experienced, fully-trained staff. We understand the coating process thoroughly and know what it takes to complete a project properly, within budget, and on time. We have a full staff of professionally trained CDPH and EPA RRP-certified Lead Paint Abatement and Renovation Workers to perform lead paint scraping and other methods related to removing paint safely.

We are a proud corporate member of SSPC.
