Federal EPA RRP certifications are due every 5 years. At that time, 4 hour refresher training is required. There is no grace period. If you do not take your course before your expiration date, you will need to re-take the entire 8 hour course again.

Please note that your Firm Must Be Certified with EPA. This is SEPARATE from your training certification requirements. The fee for firms to register is \$250 and registration is required online at www.epa.gov.

Please note that CDPH Certifications require up to 180 days lead time for processing and approval. CDPH Certifications are due annually on your birthday, NOT on the date you took your training. Please be sure to allow for enough time for processing. In addition, you may utilize your Course Completion Form (CCF) up to (2) times to renew your annual certification. After the 2nd time, you will be due for your bi-annual training (every 2 years) and you will need to use your NEW Course Completion Form (CCF) for your third time you renew.
